

NOTIFICATION OF TENDER DOCUMENT FOR SUPPLY, INSTALLATION, TESTING & COMMISSIONING OF SELF-PROPELLED, ELECTRICALLY POWERED, ARTICULATING, CRAWLER AERIAL PLATFORM LIFT AT PETRONET LNG LTD, NEW DELHI.

Petronet LNG Ltd. is constructing its office building at Sector 14, Dwarka, New Delhi. The Dwarka office building has an aspirational ship-shape design made up of structural steel, cable net glazing system and high-performance glass façade. To maintain the aesthetics of a full glass façade building, regular cleaning of the glass facade will be required. Since, the building façade is curved in both the planes the installation of conventional roof mounted façade cleaning system is inadequate for Dwarka Building.

Based on the feedback of experienced façade cleaning agencies regarding possible cleaning schemes, it was decided to procure an aerial platform lift through an OEM or their authorized distributor/dealer/representative. The company invites bids under single stage two-bid system for supply, testing & commissioning of self-propelled, electrically powered, articulating, crawler aerial platform lift at Petronet LNG Limited to submit their bid in accordance with Tender Document (PLDELPR000202023).

For selection of bidders, Eligibility Criteria is described below. The Bidder should meet the following Techno Commercial Criteria and any Bidder not meeting the same will be rejected.

Bid Eligibility Criteria (BEC) for Procurement of Aerial Platform Lift for Dwarka Building.

The Bidder should meet the following Techno - Commercial Criteria and any Bidder not meeting the same, will be rejected.
