## **Petronet LNG Limited**

### **Invitation of Expression of Interest for selection of EPCC contractor(s) for 'Standby Jetty' at Dahej LNG Terminal, Gujarat (India)**

Petronet LNG Limited (PLL) is setting up a 'Standby Jetty' comprising of a deep water single berth LNG jetty for unloading of LNG tankers of sizes from 125,000 m<sup>3</sup> to 266,000 m<sup>3</sup>. The total scope of work of the project is split into the following two packages;

- 1. Marine Facilities;** EPCC of civil works of 2.4 Km long approach trestle, LNG unloading platform, breasting and mooring dolphins and various marine equipment
- 2. Top-side Facilities;** EPCC of topside facilities as LNG unloading arms, vessels, LNG piping, fire-fighting equipment, utility piping, instrumentation/electrical work and associated control equipment.

Expression of Interest is invited from qualified and experienced Engineering, Procurement, Construction and Commissioning (EPCC) contractors (either singly or in association with others) for either one or both the packages. The interested parties should have the design/engineering and/or construction experience in completing similar work for respective packages.

The letter for expression of interest along with company profile, details of scope of work in similar completed projects, last three annual reports etc. shall be submitted to the below mentioned address on or before **7th January 2010**.

Bidding Documents containing bidding procedure, threshold eligibility criteria for bidders, details of the project, technical specifications and contract agreement shall be issued only to the reputed/capable contractors.

PLL reserves the right to accept or reject any or all the expressions of interests without assigning any reasons. Mere submission of letter of expression of interest will not confer any right for bidding.
