

TOWARDS SUSTAINABLE WORLD!

Think LNG, Think of Petronet LNG Limited

PETRONET LNG LIMITED
www.petronetlng.in

About the Company

Petronet LNG Limited is one of the leading companies in the Indian energy sector. The Company has set up the country's first LNG receiving and regasification terminal at Dahej, Gujarat, and another terminal at Kochi, Kerala. The existing regasification capacity of the Company stands at 22.5 MMTPA with the Dahej Terminal having a nominal capacity of 17.5 MMTPA and the Kochi Terminal having a capacity of 5 MMTPA. Petronet LNG Limited accounts for around 34% of gas supplies in the country and handles around 2/3rd of LNG imports in India.

Petronet LNG Limited is at the forefront of India's all-out national drive to ensure the country's energy security in the years to come with its major expansion plans which includes expansion of regasification capacity of Dahej terminal to 22.5 MMTPA, new greenfield terminal on East Coast of India and a petrochemicals plant at Dahej amongst other projects. The Company was formed as a Joint Venture Company by the Government of India to import LNG and set up LNG terminals in the country, involving India's leading oil and natural gas industry players. Our promoters are GAIL (India) Limited (GAIL), Oil and Natural Gas Corporation Limited (ONGC), Indian Oil Corporation Limited (IOCL) and Bharat Petroleum Corporation Limited (BPCL). The authorized share capital of the Company is Rs. 3000 Crore divided into 300 Crore Equity Shares of Rs. 10 each and paid-up share capital of the Company is Rs. 1500 Crore divided into 150 Crore Equity Shares of Rs. 10 each.

Our Reach

Vision

To be a key energy provider to the nation by leveraging company's unique position in the LNG value chain along with an international presence.

Mission

- Create and manage world-class LNG infrastructure.
- Pursue synergetic business growth opportunities.
- Continue excellence in LNG business.
- Maintain highest standards of business ethics and values.
- Maximise value creation for the stakeholders.

LNG Gateway to India

Largest Long Term LNG Portfolio in India

- PLL has set up South East Asia's first LNG receiving, storage and regasification terminal at Dahej, Gujarat in the year 2004.
- To cater the gas requirement of Southern India, PLL commissioned its second LNG receiving, storage and regasification terminal at Kochi, Kerala in the year 2013.

Dahej LNG Terminal

South East Asia's first LNG Receiving and Regasification Terminal

- Two LNG Jetties designed to receive Q-Flex & Q-Max vessels.
- Eight LNG Truck loading bays designed to load eighty LNG trucks per day.
- Additionally Two (02) new tanks have been commissioned, making the total no. of tanks as Eight (08). Regasification capacity is being augmented from 17.5 MMTPA to 22.5 MMTPA shortly. Third LNG Jetty is under construction and six additional truck loading bays are being planned.

Storage & Regas Capacity (MMTPA)

Kochi LNG Terminal

Capacity - 5 MMTPA Commissioned in 2013

- Two LNG Storage Tanks & Regas facilities.
- LNG Jetty designed to receive Q flex LNG vessels.
- Four LNG Truck loading bays designed to load forty LNG trucks per day.
- Additionally one LNG storage tank is being planned to make.

Services Offered at Kochi

- LNG Bunkering, Storage & Reloading Facility, Gassing Up and Cooling Down Services (GUCD).

Our Subsidiaries, JVs & Associates

- ▶ Petronet Energy Limited
- ▶ Petronet LNG Singapore Pte. Ltd.
- ▶ Petronet LNG Foundation (a Section 8 company)
- ▶ India LNG Transport Company (No.4) Private Limited
- ▶ Adani Petronet (Dahej) Port Ltd.

Building Our Business

PLL's LNG Fleet

- PLL has three LNG vessels, under long term Charter 'Disha', 'Raahi' and 'Aseem' to carry the LNG volume under RasGas contract from Qatar to Dahej.
- The fourth LNG vessel "Prachi" is now under Exxon Mobil's portfolio.
- PLL also owns equity in LNG Aseem (3%) & LNG Prachi (26%).

Small Scale LNG

LNG Fuel Stations:

PLL has set up four (4) LNG fuel stations in Tamil Nadu & Karnataka, to be commissioned shortly.

Truck Loading Facilities:

Dahej & Kochi terminal offering Truck Loading facilities, enabling sale of LNG to the customers.

LNG for Mining:

To cater the huge energy demand for mining trucks and other transportation in Indian mining sector, PLL is actively engaged with potential consumers for the use of LNG in the mining industry.

LNG Fuel for Fishing Boats:

PLL has launched the first fishing boat on LNG Fuel Conversion Project at Kochi and is exploring its scalability.

LNG Academy - Centre of Excellence

PLL has set up one of its kind of learning center the "LNG Academy (LNGA)" at its Kochi LNG Terminal to impart training on the entire LNG value chain and organise workshops including simulation training to ensure enhancement and updation of knowledge and impart practical hands on experience to the aspirants.

LNG Stations to Promote LNG as Automotive Fuel

- PLL mooted the concept of consumption of LNG as an automotive fuel. It is not only economical but also environment friendly, apart from reducing 20% - 22% of Carbon Dioxide emission as compared to Diesel, it is having negligible SOx and PM emissions.
- To establish a proof of concept, PLL has commissioned LNG Dispensing Stations since 2019 and 4 LNG driven buses approved for commercial operations for its staff transportation at Dahej and Kochi terminals.
- PLL in its efforts of offering LNG as a cleaner, cost effective and efficient fuel has already set-up four LNG dispensing stations in southern part of India, with three stations in Tamil Nadu (Hosur, Namakkal and Irugur)

and one station in Karnataka (Hubli), which are under commissioning process. Also, PLL is setting up its 5th LNG Dispensing Station near Vallarpadam Container Terminal at Kochi.

- Further, anticipating the growth and future of LNG use as an automotive fuel in India, PLL is planning to set up ten (10) more LNG dispensing stations along key National Highways (Delhi to Mumbai and Mumbai to Bangalore) and in the industrial clusters of Odisha to ensure fuel supply and promote the growth of LNG vehicles.

Driving Onward

1-5-10-40

PLL is pursuing approved strategy & vision policy code named 1-5-10-40 i.e., to achieve Rs 1 lac Crore turnover and Rs 10,000 Crores PAT with an investment of Rs 40,000 Crores over next 05 years (2022-2027).

Gopalpur LNG Terminal

The proposed land-based LNG Terminal of 05 MMTPA regasification capacity in the east coast of India is expected to be commissioned by 2028.

LNG Marketing

PLL being the largest long term LNG portfolio holder is exploring opportunities for LNG marketing & trading in India & overseas.

Petrochemical Complex

PLL has undertaken mega diversification for setting up of Petrochemicals Project of 750 KTPA of PDH and 500 KTPA of PP Plant at Dahej. This state-of-the-art Petrochemical plant is integrated with LNG Terminal and would offer the following products.

1. Polypropylene (PP): Supply of 500 KTPA high quality PP homopolymer.
2. Hydrogen: Supply of upto 22 KTPA of Hydrogen on term basis.
3. Propylene: Supply of Propylene to the customers subject to availability.

Ethane Supply, Storage & Handling Facilities

PLL is setting up the Ethane Storage tank of 1,70,000 m³ & associated handling facilities, enabling supply of Ethane to third parties.

Propane Supply, Storage & Handling Facilities

PLL is setting up the Propane Storage tank of 1,40,000 m³ & associated handling facilities, enabling supply of Propane to third parties.

Compressed Bio Gas

PLL is in process of setting up of 25 number of CBG plants at various locations in different states across India. PLL has initiated construction activities at three locations in UP i.e. Bahraich, Kanpur Dehat & Fatehpur, expected to be commissioned in 2026. The following product mix shall be offered:

1. Compressed Bio Gas (CBG).
2. Fermented Organic Manure (FOM)/ Phosphate Rich Organic Manure (PROM).
3. Other By-Products like CO₂ & Sulphur.

GUCD & LNG Bunkering

Kochi Terminal is placed at strategic location for GUCD & LNG Bunkering facilities and offering aforesaid services.

Supply of Cold Energy from Kochi LNG Terminal

The LNG's cold energy may be offered to third parties for various purposes viz District Cooling system, Air Separation plants, Warehouse, Data Centres etc.

Supply of LNG through ISO Containers

PLL is in process of setting up of LNG supply infrastructure through ISO Containers to domestic & international consumers for Gas based power plants. PLL has signed an MOU with LTL Holdings Ltd. Sri Lanka for supply of LNG/RLNG for its Sobadhanavi power plant at Kerawalapitiya.

LNG Fuel for Inland Waterway Vessels

LNG being a cleaner alternative compared with fuels as FO, LSHS, HSD (Ship Bunkering Fuel), PLL is exploring opportunities to provide LNG for barges or small freight vessels along the National Waterways.

Mr. A.K Singh, MD & CEO, PLL and Mr. Saad Sherida al-Kaabi, Minister of Energy, Qatar and President and CEO of Qatar Energy signed long-term contract for the supply of 7.5 MMTPA LNG annually, for a period of 20 years from 2028 in presence of then Hon'ble Union Minister for Housing & Urban Affairs and Petroleum & Natural Gas, Shri Hardeep Singh Puri.

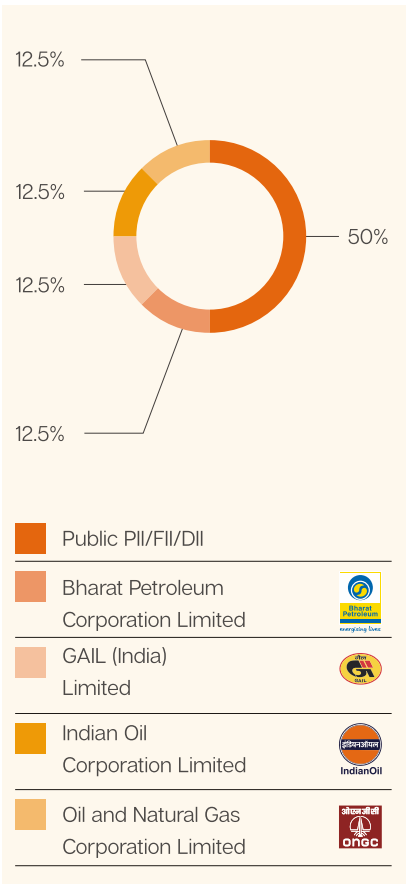

Petronet LNG Limited (PLL) signed LNG Regassification agreement with Performance Chemiserve Limited (PCL), a wholly owned & step-down subsidiary of Deepak Fertilisers and Petrochemicals Corporation Limited (DFPCL) on 10th July, 2025 at New Delhi.

Financials

Equity Holders

Our Accolades

On 6th February 2024, PLL executed LNG Sale & Purchase Agreement (LNG SPA) for purchase of around 7.5 MMTPA LNG with QatarEnergy for supply of LNG on delivered basis for a period of 20 years commencing from 2028.

In FY 2024-25, PLL handled around 2/3rd of Country's total LNG imports and catered to around 34% of the total natural gas consumption in the country.

Largest LNG Portfolio in India of around 9 MMTPA.

- 7.5 MMTPA from RasGas, Qatar on long term.
- 1.425 MMTPA LNG from Mobil Australia Resources Company Limited (a subsidiary of Exxon Mobil), Australia on long term.
- Balance sourcing on spot/short term basis.

Dahej LNG Terminal is world's 8th largest terminal by capacity.

Dahej LNG Terminal is one of the busiest terminals in the world.

- Received 3500+ LNG Cargoes.

PLL owns around 43% share of the country's existing Regasification capacity.

Kochi LNG Terminal offers GUCD, bunkering, LNG storage and reloading services to the LNG players.

Ratings & Awards

5 Star Rating in Occupational Health & Safety Audit by British Safety Council in 2023, 2024 & 2025 for Dahej & Kochi LNG Terminal

Sword of Honour in 2023 and 2024 by British Safety Council for Dahej and Kochi LNG Terminal

Most Preferred Workplace 2024-2025 by Marksmen Daily

Towards
Atmanirbhar Bharat

FOUNDATION STONE OF
Petrochemicals Project
(750 KTPA PDH & 500 KTPA PP)

Laid by
Hon'ble Prime Minister
Shri Narendra Modi
on 12th March 2024

Highlights

- Building a future with a Technological marvel ensuring revolutionary energy use. India's First Petrochemical Plant with Cold Energy Integration at the LNG Terminal.
- Strategically nestled in the heart of Dahej Industrial Zone, positioned to cater to the burgeoning demand for propylene, hydrogen and Polypropylene (PP) in Western India.
- Empowering the community with socio-economic growth: Creating 50,000 jobs in the execution phase and sustaining 10,000 jobs once operational.
- A future of efficiency and innovation with the groundbreaking approach that reduces Capex cost by Rs. 400 crores and annual operating expenses by Rs. 120 crores.
- Proudly contributing to Atmanirbhar Bharat by catering to 10% of India's Polypropylene demand-supply gap, promoting self-reliance and innovation.

Corporate Social Responsibility

At Petronet LNG Limited (PLL), social responsibility is not just a commitment—it's a core part of our identity. Guided by the principles of quality, inclusivity, and sustainability, we have developed a strategic, multi-tiered CSR framework that delivers measurable socio-economic impact across India.

Our initiatives are thoughtfully designed to address both immediate community needs and long-term national priorities, ensuring that every effort contributes meaningfully to inclusive development. Through a blend of short-term responsiveness and long-term vision, PLL empowers communities and fosters resilience.

Each initiative is carefully selected to create lasting value, uplift underserved populations, and promote sustainable progress. By aligning our CSR efforts with national development goals, PLL continues to be a catalyst for change—building a better, more equitable future for all.

Key focus areas of the CSR strategies are:

Healthcare & Sanitation

- Shri Hardeep Singh Puri, Hon'ble Minister of Petroleum & Natural Gas, flagged off an Advanced Cardiovascular Life Support (ACLS) Ambulance at Collectorate, Sonbhadra (Robertsganj), contributed to the Sonbhadra Medical College on 24th March 2025.
- Support towards construction of a Charitable hospital run by Swami Vivekananda Health Mission Society (SVHMS) at Dharmawala, Dehradun
- Operating 10 Mobile Medical Vans at Gujarat, Kerala, Delhi and Uttar Pradesh.
- Conducting health awareness camps and facilitating Ayushman health cards for the economically weaker sections in Saran District, Bihar.
- Sulabh Toilet Complexes in Ayodhya and Prayagraj districts, Uttar Pradesh has been completed. Also, Sulabh toilet complex in Dwarka, Puri and Ernakulam is under development.
- Donating an ambulance and 11 sets of health camp equipment to a charitable eye care society.

- Organising Eye Camps in MCD schools in Delhi/NCR.
- Constructing child-friendly washrooms, setting up safe drinking water facilities and upgrading government child welfare committees.
- PLL under its CSR initiatives extended support to widows & abandoned women of Om Vishranti Matratva Sadan (Ashram) at Vrindavan by providing Infrastructure facilities.

Education and Skill Development

- Redeveloping the Boys Hostel at Hindu College, University of Delhi.
- Distribution of more than 3500 bicycles to Girl Children in Navsari.
- Petronet Kashmir Super 50, Jammu Super 30 and National Super 30 (Delhi) towards imparting full time residential coaching & counselling support to underprivileged students for preparation of JEE examination.
- Building additional classrooms at government schools in Jodhpur and Jaisalmer and setting up computer labs and digital library in Indore.

- Providing skill development training to 400 youth in plastics technology in collaboration with the Central Institute of Petrochemicals Engineering & Technology (CIPET) at Ahmedabad, Kochi, Dehradun and Murthal.

Gender Equality & Women Empowerment

- Conducting health awareness workshops and distributing sanitary napkins in Jaipur, Rajasthan.
- Provided sewing machines to underprivileged Women in collaboration with Growth Foundation of India at New Delhi.
- Organising women's health care camps in Agra, Uttar Pradesh.

Art, Culture and Heritage Development

- Installing air conditioning and a DG set at the Partition Museum and Cultural Hub at Dara Shikoh Library Building (DSLBB), Dr. B.R. Ambedkar University campus, Kashmere Gate, New Delhi.
- Conducting skill development workshops for the promotion of art and culture in Rajasthan, Jammu & Kashmir.

Rural Infrastructure Development

- Constructing a Community Hall in Malikpur village, Guru Teg Bahadur Nagar, Delhi.
- Renovating a Community Hall (Trade Centre) in Potheipalli village, Machilipatnam, Andhra Pradesh.

Welfare of the Divyangjan

- Renovating and refurbishing a school for differently abled children in Jaipur.
- Establishing healthcare and education centres in Delhi.

Research & Development

- Supporting experimental studies and lab facilities for the development and demonstration of hydrogen fuel cells and electrolysis technology at NITK Suratkhal.
- Supporting a hybrid data analysis course on water quality at IIT Madras.

Disaster Management & Environment Sustainability

- Undertaking the construction of five pilgrim accommodation blocks at Shri Kedarnath Dham, Uttarakhand.
- Reaffirmed its strong commitment to environmental conservation and sustainability by implementing a range of impactful initiatives across multiple regions. The Company undertook significant efforts toward ecological restoration, including the restoration of biodiversity at Munambam and Kuzhupilly beaches in Kerala and large-scale tree plantation drives in Delhi, Noida and NCR to promote environmental conservation and pollution control.

Namami Gange Programme

- In collaboration with the National Mission for Clean Ganga (NMCG) and Clean Ganga Fund (CGF), dedicating the Dinkar Ghat at Simariya, Begusarai district, Bihar to the public.

Contribution to PM Cares

- The Company has generously contributed Rs. 6.78 crore to the Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) in the FY 2024-25. The total contribution to the PM CARES Fund, since its creation in March 2020, following the COVID-19 pandemic, by the Company is about Rs 153 crore.

Welfare of War Widows

- Constructing 24 widow quarters at Lucknow for CRPF.
- Constructed 48 widow quarters at Gandhinagar (24), Bikaner (18) and Punjab (6) for BSF.

Recognitions of Excellence: Acclaimed CSR Project Awards

- Our company's CSR endeavours have garnered significant recognition through prestigious national awards, affirming our exceptional dedication to nation-building.

Beyond Business: Our Corporate Social Responsibility

Hon'ble Minister of Petroleum & Natural Gas, Shri Hardeep Singh Puri ji, flagged off an Advanced Cardiovascular Life Support Ambulance at Sonbhadra on 24th March 2025, under CSR initiative of PLL.

PLL has been honoured with Sewa Samman 2024 organised by Sewa Bharti for its CSR initiatives. The award was presented by Shri Rajnath Singh, Hon'ble Minister of Defense, GOI at Dr. Ambedkar International Centre, New Delhi on 14th November 2024.

Bagged three prestigious awards at the Indian PSU CSR Impact Awards 2025 held on 23rd July 2025 at New Delhi, under the category of:

- Best Mental Health Initiative of the Year
- Best Skill Development Programme Initiative of the Year
- Best Senior Citizen Healthcare Initiative of the Year

Honoured to received the 12th CSR Times Award 2025 for its consistent and outstanding contribution to the Swachh Bharat Mission on 15th July 2025 in New Delhi.

Awarded with the 11th Greentech CSR India Award 2025 for its contribution & initiatives on Healthcare Promotion on 14th June 2025 at New Delhi.

Excellence Awards by the Gujarat Employers' Organization (GEO) for sustainable development and impactful community initiatives on 29th January 2025.
